California Notice 2017-04

TO: Pesticide Product Registrants and Stakeholders

SUBJECT: FILING DATE EXTENDED TO REGISTER PRODUCTS MADE FROM PESTICIDE IMPREGNATED MATERIALS AND BEARING PESTICIDE CLAIMS

The Department of Pesticide Regulation (DPR) is extending the filing date for applications to register products made from pesticide impregnated materials bearing pesticide claims from March 1, 2017 to **July 1, 2017**. Each retailer (or authorized representative) must submit an Application for Pesticide Registration (DPR-REG-030) to DPR by July 1, 2017.

DPR currently registers a number of pesticide impregnated textiles bearing pesticide claims. Historically, these products have been registered either by the manufacturer of the pesticide used to impregnate the material or by the company impregnating the bolts of fabric or clothing. In December 2015, DPR issued California Notice 2015-13 informing pesticide product registrants and stakeholders of DPR’s intention to register products made with pesticide impregnated materials and bearing pesticide claims.

DPR will require each company with products made from pesticide impregnated material and sold under their own company name into or within California to register the product(s) as a pesticide. The product must bear a federally approved pesticide label. DPR will assign a separate California only registration number for purposes of tracking sales and use of the products in California. Each company will need to obtain at least one registration for each use category of product sold. For example, the apparel use category includes wearable items such as jackets, shirts, hats, socks, pants, shorts, etc. The non-apparel use category includes non-wearable items such as bedding, tents, seat covers, chopping blocks, shower curtains, mouse pads, etc. If items are impregnated with different pesticides or different percentages of the same pesticide, separate registrations will be required.

If you have questions, please contact the Pesticide Registration Branch Ombudsman, Ms. Jolynn Mahmoudi-Haeri, by e-mail at <Registration.Ombudsman@cdpr.ca.gov> or by telephone at 916-324-3545.
