

Keeping Workers Safe: A DPR Brown Bag Lunch Presentation

The DPR Worker Health and Safety Branch is responsible for worker safety in any area that pesticides are used. This is accomplished through several programs including exposure monitoring, mitigation, pesticide illness surveillance, workplace evaluation and industrial hygiene.

SPEAKERS:
Brian Leahy - DPR Director
Martha Sanchez, Environmental Scientist
Harvard Fong, Senior Industrial Hygienist
Nino Yanga, Environmental Program Manager I
C.E. CREDIT (ONE HOUR) AVAILABLE
