

SUGGESTED STUDY MATERIAL SOURCE LIST
Qualified Applicator Certificate (QAC)

Studying the suggested study material can make the difference between passing and failing Department of Pesticide Regulation (DPR) QAC examinations. The examinations are based on the study materials listed below. Options for obtaining the study material include purchasing, viewing or downloading from the web, and borrowing from public or college libraries. Some University of California (UC) Extension/Farm Advisor offices sell the material. Instructions for obtaining study material are found on page 8.
