2. Invoices submitted in any other format than the one provided by the Department will cause an invoice to be disputed. In the event of an invoice dispute, the Department's Grant Administrator will notify the Grantee by initiating an Invoice Dispute Notification form (see [Attachment 4](#)¹⁵). Payment will not be made until the dispute is resolved and a corrected invoice submitted. Failure to use the address exactly as provided above may result in delay of receipt and processing of the submitted invoice. Payment shall be deemed complete upon deposit of the payment, properly addressed, postage prepaid, in the United States mail. The Department's Grant Manager along with the Grant Administrator has the responsibility for approving invoices.

The Grantee shall not request disbursement for any cost until such cost has been incurred and has been paid by, or is due and payable by, the Grantee. Invoice payment shall be made only after receipt of a complete, properly documented, and accurately addressed invoice.

Notwithstanding any other provision of this Grant, no disbursement shall be required at any time or in any manner which is in violation of, or in conflict with federal or state laws, rules, or regulations, or which may require any rebates to the Federal Government, or any loss of tax-free status on state bonds, under any Federal statute or regulation.

Notwithstanding any other provision of this Grant, the Grantee agrees that the Department shall retain an amount equal to ten percent (10%) from the payment for each invoice until completion of the Project (i.e., when the Grantee has complied with all terms, conditions, and performance requirements of this Agreement as set forth in the Scope of Work, marked as Exhibit A). Any retained amounts due to the Grantee will be promptly disbursed to the Grantee, without interest, upon completion of the Project.

The invoice shall contain the information as set forth in [Attachment 3](#),¹⁶ Research Grant Invoice Example.

The Final invoice shall be clearly marked **FINAL INVOICE** and received no later than May 1, 2019. Additionally, the Grantee shall promptly notify the Department in writing of completion of work on the Project to assure payment of the ten percent (10%) retention withheld from the Grantee's funding (invoiced separately). Absolutely no funds may be requested or invoiced after May 1, 2019, whatsoever. Any invoice(s) submitted on or after May 2, 2019, will be considered null and void and have no legal effect. All invoices shall be signed under penalty of perjury.

B. BUDGET CONTINGENCY CLAUSE

The maximum amount to be encumbered under this Grant for the 2016/2017 fiscal year ending June 30, 2017, shall not exceed \$xxx,xxx (xxx,xxx dollars).

If the Budget Act of the current year and/or any subsequent years covered under this Grant does not appropriate sufficient funds for the program, this Grant shall be of no force or effect. This provision shall be construed as a condition precedent to the obligation of the Department to make any payments under this Grant. In this event, the Department shall have no liability to pay any funds whatsoever to the Grantee or to furnish any other considerations under this Grant and the Grantee shall not be obligated to perform any provisions of this Grant. Nothing in this Grant shall be construed to provide the Grantee with a right of priority for payment over any other Grantee.

If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the Department shall have the option to either cancel this Grant with no liability occurring to the Department, or offer a Grant amendment to the Grantee to reflect the reduced amount.

C. BUDGET

Attached and made a part of this agreement is the budget sheet(s) submitted by the Grantee, named "TITLE."

Line Item Budget**Task Budget****Budget Narrative****D. BUDGET LINE ITEM FLEXIBILITY**

Procedure to Request an Adjustment. The Grantee may request adjustments to the budget, provided the summation of all adjustments total ten percent (10%) or less of the total project budget. Requests from the Grantee must be submitted in writing to the Grant Manager and include a copy of the most current approved Line Item Budget form (Worksheet 3 of [Scope and Budget Form](#)¹⁷) with proposed changes highlighted by striking the current amount(s) and underlining and boldfacing proposed revision(s). Adjustments are limited to the approved budget line items (i.e., Personnel Services, Operating Expenses, Travel, Contracts, Equipment, Academic Remissions, and Overhead). Deleting or adding a budget line item is not permissible under this provision. Requested adjustments shall not increase or decrease the total grant amount. Requests must also include a description of how requested adjustments will affect the implementation of the project. The Grantee must not proceed with an adjusted budget unless and until it is approved in writing by the Grant Manager. The Department may also propose adjustments to the budget if deemed necessary.

The Department withholds ten percent (10%) from each invoice. These withheld funds are eligible for release to the Grantee only after the Grant Manager confirms that the Grantee has complied with all terms, conditions, and performance requirements of this Agreement, as set forth in the Scope of Work; the final report is received and approved; and the final expenditure report is approved. The Grantee shall request release of the ten percent (10%) withheld on a separate invoice, checking box 14, "Request the Release of 10% Retention".

Remaining Balance. In the event the Grantee does not submit invoices requesting all of the funds encumbered under this Grant, any remaining funds revert to the Department. The Department will mail a Notice of Project Completion letter to the Grantee stating that the project file is closed, the final invoice is being processed for payment, and any remaining balance is being disencumbered and unavailable for further use under the Grant.

¹⁷ <http://www.cdpr.ca.gov/docs/pestmgmt/grants/research/solicitation/attach1pc.xlsx>

Procedure to Request an Amendment. The Grantee may request an amendment to realign the budget, if the summation of all reallocation totals more than ten percent (10%) of the total project budget. Requests from the Grantee must be submitted in writing to the Grant Manager and include a copy of the most current approved Line Item Budget form with proposed changes highlighted by striking the current amount(s) and underlining and boldfacing proposed revision(s). Amendments are limited to budget changes corresponding to the approved budget line items (i.e., Personnel Services, Operating Expenses, Travel, Contracts, Equipment, Academic Remissions, and Overhead) and may include changes to the Scope of Work or timeline. Requested amendments must not increase or decrease the total grant amount. Requests must also include a description of how requested amendments will affect the implementation of the project. The Grantee must not proceed with an amended budget unless and until it is approved in writing by the Grant Manager, and if deemed necessary by the Grant Manager, the amendment must be executed by the signatories for both the Department and the Grantee and made a part of the agreement as an amendment.

E. AUDIT DISALLOWANCES

The Grantee agrees it shall return any audit disallowances to the Department. (See Audit clause below.)

ASSIGNMENT: This grant is not assignable by the Grantee, either in whole or in part, without the written consent of the Grant Manager. The Department contemplated awarding this Grant in part by ascertaining the expertise of the person(s) or entity(ies) awarded this grant; hence, assignment of the Grantee's research shall not be allowed without such written consent by the Grant Manager.

The Grantee agrees to maintain such records for a possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated. The Grantee agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Grantee agrees to include a similar right of the Department to audit records and interview staff in any context related to performance of this Grant.

Exercise of any remedy provided by this Grant by the Department shall not

preclude the Department from pursuing any legal remedy or right which would otherwise be available. In the event of litigation between the parties arising from this Grant, it is agreed that both parties shall be entitled to such reasonable costs and/or attorney fees as may be ordered by the court entertaining such litigation.

DEPARTMENT REVIEWS AND INDEMNIFICATION¹⁸: The parties agree that review or approval of Project applications, documents, permits, plans and specifications, or other Project information by the Department is for administrative purposes only and does not relieve the Grantee of its responsibility to properly plan, design, construct, operate, maintain, implement, or otherwise carry out the Project. To the extent permitted by law, the Grantee agrees to indemnify, defend and hold harmless the Department and the State against any loss or liability arising out of any claim or action brought against the Department and/or the State from and against any and all losses, claims, damages, liabilities or expenses, of every conceivable kind, character and nature whatsoever arising out of, resulting from, or in any way connected with (1) the Project or the conditions, occupancy, use, possession, conduct or management of, work done in or about, or the planning, design, acquisition, installation or construction, of the Project or any part thereof; (2) the carrying out of any of the transactions contemplated by this Grant or any related document; (3) any violation of any applicable law, rule or regulation, any environmental law, rule or regulation or the release of any toxic substance; or (4) any untrue statements or omission, alleged untrue statements or omissions, or misleading statements or omissions, made at any time by the Grantee related in any way to this Grant. To the fullest extent permitted by law, the Grantee agrees to pay and discharge any judgment or award entered or made against the Department and/or the State with respect to any such claim or action, and any settlement, compromise, or other voluntary resolution. The provisions of this section shall survive the term of this Grant.

DISPUTES: The Grantee shall continue with the responsibilities under this Grant during any dispute. Any dispute arising under this Grant which is not otherwise disposed of by agreement shall be decided by the Chief Deputy Director of the Department, or his authorized representative. The decision shall be reduced to writing and a copy thereof furnished to the Grantee and to the Department's Director. The decision of the Chief Deputy Director shall be final and conclusive unless, within thirty (30) calendar days after mailing of the decision to the Grantee, the Grantee mails or otherwise furnishes a written appeal of the decision to the Director. The decision of the Director shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, so grossly erroneous as necessarily to imply bad faith, or not supported by substantial evidence. In connection with any appeal under this clause, the Grantee shall be afforded an opportunity to be heard and to offer evidence in support of its appeal. Pending final decision of a dispute, the Grantee shall continue to fulfill and comply with all the terms, provisions, commitments, and requirements of this Grant. This clause does not preclude consideration of legal questions, provided that nothing herein shall be construed to make final the decision of the Department, or any official or representative thereof, on any question of law.

FISCAL MANAGEMENT SYSTEMS AND ACCOUNTING STANDARDS: The Grantee agrees that, at a minimum, its fiscal control and accounting procedures will be sufficient to permit tracing of all grant funds to a level of expenditure adequate to establish that such funds have not been used in violation of state law or this Grant. The Grantee further agrees that it will maintain separate Project accounts in accordance with generally accepted accounting principles.

GOVERNING LAW: This grant is governed by and shall be interpreted in accordance with the laws of the State of California.

¹⁸ The language for this clause is modified for the University of California (UC)

GRANT MODIFICATIONS: The Department may, at any time, by written “grant modification,” make any change to Exhibit A, Scope of Work, including changes in the specifications or in the method, manner, or time of performance of work. Department modification requests shall not include material changes to the Grantee’s researchers’ scientific or technical method or manner. If the Grantee intends to dispute the change, the Grantee must, within ten (10) days after receipt of a written “grant modification”, submit to the Department a written statement setting forth the disagreement with the change. After reviewing the proposed modification and the Grantees written disagreement, the Chief Deputy Director, or his or her designee, shall be the final arbiter of the disagreement. In no case shall the Department materially alter the scope of work set forth in Exhibit A.

INCOME RESTRICTIONS: The Grantee agrees that any revenues, refunds, rebates, credits, or other amounts (including any interest thereon) accruing to or received by the Grantee under this Grant shall be paid by the Grantee to the Department, to the extent that they are properly allocable to costs for which the Grantee has been reimbursed by the Department under this Grant.

INDEPENDENT ACTOR: The Grantee, and its agents and employees, if any, in the performance of this Grant, shall act in an independent capacity and not as officers, employees or agents of the Department.

INSURANCE: Any non-UC contractors and subcontractors shall, throughout the life of the Project, provide and maintain auto insurance with the limits set at a minimum of \$100,000/\$300,000/\$100,000, property damage and liability. This insurance shall be issued by a company or companies admitted to transact business in the State of California. It is noted that the University of California system is self-insured; hence, the Grantee will provide the Grant Manager or the Grant Administrator its letter from the Department of General Services, Office of Risk and Insurance Management showing the Grantee’s self-insured status before beginning work on the project.

MEDIA EVENTS: The Grantee shall notify the Department’s Grant Manager in writing at least twenty (20) working days before any public or media event publicizing the accomplishments and/or results of this Grant and provide the opportunity for attendance and participation by Department’s representatives.

NONDISCRIMINATION: During the performance of the scope of work listed in this Grant, the Grantee and its employees/agents/contractors shall not unlawfully discriminate against, harass, or allow harassment against any employee or applicant for employment because of sex, race, religion, color, national origin, ancestry, disability, sexual orientation, medical condition, marital status, age (over 40) or denial of family-care leave, medical-care leave, or pregnancy–disability leave. The Grantee and its employees/agents/contractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination and harassment.

NO THIRD-PARTY RIGHTS: The parties to this Grant do not create rights in, or grant remedies to, any third-party as a beneficiary of this Grant, or of any duty, covenant, obligation or undertaking established herein.

NOTICE: The Grantee shall promptly notify the Department’s Grant Manager in writing of events or proposed changes that could affect the scope or budget of the project proposed under this Grant. The Grantee agrees that no material change in the scope of the Project will be undertaken until written notice of the proposed change has been provided to the Department, and the Department has given written approval for such change. “Material” is defined as “More or less necessary; having influence or effect; going to the merits.”

PERMITS, CONTRACTING, WAIVER, REMEDIES AND DEBARMENT: The Grantee shall procure all permits and licenses necessary to accomplish the work contemplated in this Grant, pay all charges and fees, and give all notices necessary and incidental to the due and lawful execution of the work. Any substitutions in, or additions to, such contractors, associates, or consultants, shall be subject to the prior written approval of the Department's Grant Manager. Any waiver of rights with respect to a default or other matter arising under the Grant at any time by either party shall not be considered a waiver of rights with respect to any other default or matter. Any rights and remedies of the Department provided for in this Grant are in addition to any other rights and remedies provided by law. The Grantee shall not contract with any party who is debarred or suspended or otherwise excluded from or ineligible for participation in federal assistance programs under Executive Order 12549, "Debarment and Suspension." The Grantee shall not contract with any individual or organization on U.S. EPA's List of Violating Facilities. (40 C.F.R. § 31.35, Gov. Code, § 4477, <http://www.epls.gov/>.) - Establish such accounts and maintain such records as may be necessary for the state to fulfill federal reporting requirements, including any and all reporting requirements under federal tax statutes or regulations.

RELATED LITIGATION: Under no circumstances may a Grantee use funds from any disbursement under this Grant to pay costs associated with any litigation the Grantee pursues against the Department.

RIGHTS IN DATA: The Grantee and the Department agree that all data, plans, drawings, specifications, reports, computer programs, operating manuals, notes, and other written or graphic work submitted under

Exhibit A in the performance of this Agreement shall be in the public domain. Absent a showing of bad faith on the part of the Grantee, the Department shall reimburse the Grantee for all costs incurred up to the date of termination, including all un-cancellable obligations. Both parties reserve the right to terminate this Grant for any reason subject to thirty (30) days written notice to the other.
