Instructions for Application to Amend Pesticide Product

INCOMPLETE FORMS WILL NOT BE PROCESSED

If any section does not apply to your product, please mark it N/A. A separate application form must be completed for each product brand name. If you require further assistance, contact the Pesticide Registration Branch at 916-445-4400.

1. **Firm Name:** If federally registered, this must be the same as on file with U.S. EPA. For California registered products that do not require federal registration, this must match what is currently on file with DPR.
2. **Firm Mailing Address:** Correspondence, licenses, notices, etc. will be sent to this address.
4. **Name of Authorized Representative:** The person who is authorized to answer questions about your application. Generally, this person prepares the application. If the person is an agent, a letter from the firm authorizing the agent to act on their behalf is required.
7. **E-mail address:** Supplying DPR with this information will automatically enroll the applicant (firm or agent) into the automatic notification program.
8. **Product Brand Name:** This must be **EXACTLY** the same as the brand name registered by U.S. EPA and the product labeling. For California registered products that do not require federal registration, this must match what is currently on file with DPR.
9. **U.S. EPA or CA Registration Number:** Required unless the product is exempt from, or does not require, registration under the Federal Insecticide Fungicide and Rodenticide Act (FIFRA) such as spray adjuvants, FIFRA §25(b) exempt pesticides, or the product is being submitted concurrent with submission to U.S. EPA under the DPR's current policy. For California registered products that do not require federal registration, the CA Reg. No. is required.
10. **Type of California Amendment Action Requested:**
 - **Adding sites or uses, crop, pests, or reducing the signal word or the precautionary statements:** In your cover letter, please specify changes (e.g., list added use or pest), data and/or reference to data or similar products to support the changes.
 - **Alternate and Revised Formulations:** Include a copy of the U.S. EPA acceptance letter of the alternate or revised formulation. For California registrations (i.e., spray adjuvants), complete a Product Formulation Information Form
 - **Non-FIFRA related changes:** Reformatting and/or adding graphics, Warranty Statement changes, etc.
 - **Other:** Please attach a cover letter explaining the type of amendment action requested.

The Application Package shall include the following:

- A cover letter describing the type of amendment action requested and what is being submitted to DPR
- A completed application form. If submitting an alternate or revised formula, submit a copy of the U.S. EPA Confidential Statement of Formula or complete a Product Formulation Information Form. For a California only registration (e.g., spray adjuvant), complete a Product Formulation Information Form
- An application fee of \$300 is required. Make check or money order payable to "Cashier, Department of Pesticide Regulation"
- Six (6) copies of the product labeling; typescript labeling may be submitted if printed labels are not yet available; printer's proofs or final printed labels are required prior to an acceptance of the amendment
- Copy of U.S. EPA stamped accepted label and acceptance letter, if applicable

- U.S. EPA Notification Submission (EPA Form 8570-1) to support other label changes not addressed by the U.S. EPA stamped-accepted label, if applicable

- One copy of the data required by California regulations (Title 3, California Code of Regulations §6170) and formatted according to DPR's current policy

In lieu of submitting data, you may include in your cover letter a reference to specific data on file with DPR or identification of a pesticide product(s) previously approved by the Director that would be subject to some or all of the same data requirements as applicable to the applicant's product. NOTE: Pursuant to California Food and Agricultural Code §12811.5, applicant's relying upon data owned by another company may, have certain obligations to the data owner in specifically defined situations. Information Available on the Internet

California Pesticide Electronic Submission Tracking (CalPEST) System

CalPEST is a web-based application that allows applicants to submit new product applications, amendments, renewals, and several other pesticide product registration actions. As an alternative to mailing this completed application form to the addresses listed on page 1 of the form, applicants may submit their application through CalPEST at <https://www.cdpr.ca.gov/docs/registration/calpest.htm>. Applications submitted through CalPEST will allow for electronic payment and faster processing. Additionally, users will be able to view their submission status in real-time.

Information about the California laws and regulations governing pesticide registration, as well as Department notices, policies, and procedures is available on the Internet at <http://www.cdpr.ca.gov>. Information on currently registered products, registrants, telephone numbers, and e-mail addresses for Department staff, and other information are also available at this site.

"A Guide for Pesticide Registrants" is also available online. This Guide includes information regarding the overall process of registering pesticides and information regarding how to maintain registration in California. Checklists for preparing your application package for New Products, Alternate (or Additional) Brand names, Subregistrations, and Label or Formulation Amendments are available online.

Persons interested in receiving notices specific to registration issues must subscribe to the e-mail list or access the "California Notices to Registrants" web page found on the Departments' Web site. To subscribe to "California Notices to Registrants" for email delivery,

visit the E-List page at <<http://www.cdpr.ca.gov/docs/listserv/listdesc.htm>>, and click on the subscribe link under the list name. You will receive an e-mail, welcoming you to the list. To access new and historical notices via the Internet, see <<http://www.cdpr.ca.gov/docs/canot/camenu.htm>>.
